1. **NR PERS 9 COMP 106 Duty Officer Schedule:**

AUG 01 - IT1 KITCHENS                      SEP 01 – LCDR MACK

2. **POM:** Plan of the month inputs are due to PN2 Bell by 0900 Sunday on drill weekends.

3. **MEDICAL:** Members - please check with medical to update all physicals during your birth month.

4. **READ BOARDS:** All unit members are required to review and initial the monthly read-files, located on the conference table in Room S107. The files will contain general passdown information and AT/ADT/ADSW opportunities.

5. **BERTHING:** The unit maintains a three-month listing of required berthing for individual members. Should you require cancellations or changes between drills, contact Reserve Center Supply (e-mail address and fax number is provided on the first page of the POM). Should you fail to make changes with Supply or fail to request berthing on our list, you may lose free berthing privileges.

The following personnel are scheduled for berthing on 25/26 Aug 2001:

CAPT JASITT	CDR BABIN	CAPT GONZALES
YN3 EZELL	CDR MACK	IT1 KITCHENS

6. **FY01 TRAINING**

In order to meet mission requirements, it is imperative that personnel be present on the drill weekend that they are Scheduled to provide training. Please, review the next quarters training schedule and ensure that all flex drills are Coordinated with the Training Officer LCDR Mack.

Aug – CAPT Jasitt

Sep - TBA

**For Official Use Only**

### GMT:

Effective Jan 2001, all personnel performing flex drills will be required to participate in General Military Training (GMT). These topics can be accessed at [www.web.bupers.navy.mil](http://www.web.bupers.navy.mil).

1. Click on the left navigation bar for "Training."
2. Locate and click on the link for "General Military Training."
3. Scroll down to locate the training pertaining to the month in question.
4. Click on the provided PowerPoint presentation "ppt" to view.

### **Topics:**

Aug 2001

Topic 4-1: History of the Enlisted Sailor

Sep 2001

Topic 3-5: Extremist/Hate Groups

After completion, please fill out a NAVRESFORM 3500 with the date, title of the training, name, rank, SSN, and signature. There will be a folder with blank copies and a folder to leave the signed forms with YNC White. These forms will be compiled into a quarterly report submitted to the XO.

### TENNESSEE TECHNOLOGY COURSE SCHEDULE:

August	Computer Applications Sheet Metal
September	Computer Applications Sheet Metal

All personnel interested in attending classes at Tennessee Technological Center sign up with LCDR Mack.

7. **FLEX DRILLERS:** Following your Flex Drill please forward a copy of your INDIVIDUAL MONTHLY DRILL PERFORMANCE sheet to Admin (YNC White). This will ensure timely help in the event of pay problems. Member's are responsible for completing any lectures or study guide that they have missed during any previous drills. A binder of self-tests will be on the bookshelf.
8. **SGLI:** Per the office of the Secretary of Defense, DFAS is changing all personnel to the \$250,000 coverage regardless of current election. Should members desire to lessen the coverage or not elect coverage, a new SGLI Election form must be completed.
9. **ONE-STOP GOVERNMENT WEB SITE DEBUTS:** Need to find the nearest veterans hospital? Want to Track your Social Security benefits? You can now contact most government agencies and find information by Logging on to a single Web site at <http://www.firstgov.gov/>.
10. **CPR TRAINING:** Slots are available for CPR training on Sep Drill Weekend. If you are interested, please contact LCDR Mack.
11. **PRT IN OCTOBER:** GET READY!!
12. Congratulations to CAPT Jasitt on her selection as Tennessee NEPLO, effective October 2001.
13. Fair winds and following seas to CAPT Medd as he retires with 39 years of service. You will be missed.
